**WHEREAS**, the NorCal Bicycle Partnership is promoting California Bike Commute Week May 11 -15, 2009, throughout Northern California; and

**WHEREAS**, several workshops and events are planned throughout Shasta County the week of May 11-15 sponsored by the California Department of Transportation, City of Redding, City of Shasta Lake, the Shasta Wheelmen, the Trails and Bikeways Council, ReddingVelo, and Healthy Shasta; and

**WHEREAS**, the Anderson City Council supports the NorCal Bicycle Partnership and the local Bike Commute Week sponsors in supporting bicycling as a healthy, economical, and environmentally superior alternative to driving to work; and

**WHEREAS**, the Anderson City Council reaffirms its support of the Anderson Bikeway Plan, as most recently updated by City Council Resolution No. 07-79 on October 2, 2007, as a way of expanding upon the City's existing bikeway system and making bicycling to work more practical; and

**WHEREAS**, the Anderson City Council reaffirms its appreciation to, and support of, the California Department of Transportation District 2 submittal of the proposed State Route 273 bikeway project from South Street to Pleasant Hills Drive as a proposed Transportation Enhancement project for 2009 construction funding, which would make bicycle commuting along this key corridor much more practical.

**NOW, THEREFORE**, the City Council of the City of Anderson does hereby proclaim May 11 – 15, 2009, as Bike Commute Week in the City of Anderson, encouraging all Anderson citizens and employees to bicycle to work the week of May 11 -15, to participate in the programs offered by the NorCal Bicycle Partnership, and to extend their appreciation to Healthy Shasta, the California Department of Transportation, and all the Bike Commute Week partner sponsors.
