**SUBJECT**

**Regional California Oil Recycling Block Grant Application**

**RECOMMENDATION**

The Public Works Director recommends that the City Council:

**Adopt a Resolution authorizing Shasta County to submit a Regional California Oil Recycling Block Grant application.**

**FISCAL IMPACT**

None

## **DISCUSSION and BACKGROUND**

The California Oil Recycling Enhancement Act 1991 mandates the California Integrated Waste Management Board to provide annual block grants to local governments for establishing local collection programs that encourages recycling of used oil.

Since 2006 the City Council has approved a resolution authorizing Shasta County to submit a combined application for the Used Motor Oil Block Grant. The combined application includes Shasta County, and the Cities of Anderson and Shasta Lake. Anderson's share of the grant funds are used for education and operation of the used motor oil-recycling center at Napa Auto Center in Anderson. Shasta County Resource Management Department administers the program.

Staff recommends that the City continue to combine resources with Shasta County and Shasta Lake and authorize Shasta County to apply for the Fiscal Year 2010/2011 Used Motor Oil Recycling Block Grant – 16th Cycle on behalf of the City of Anderson, which is again eligible and the funds will be expended for eligible projects in Anderson.
