SUBJECT

Agreement for the operation of the Integrated Public Safety System (IPSS), between the City of Anderson, the City of Redding and the County of Shasta

RECOMMENDATION

The Police Chief recommends that the City Council:

Enter into the IPSS agreement and authorize the Chief of Police to sign the Memorandum of Understanding.

FISCAL IMPACT

The annual cost of \$42,494.00 is the same as the prior year and is already included in the adopted budget.

DISCUSSION and BACKGROUND

The purpose of the agreement is to identify the financial and personnel resources needed to provide for the necessary hardware, programming, and personnel to develop and maintain an integrated public safety system. The goal of such system is to increase efficiency through the use of technology, to reduce redundancy, and to provide needed information, thus maximizing personnel resources.

IPSS develops law enforcement software to include records management systems, other specialized packages, and provides systems integration with Computer Added Dispatching (CAD), Integrated Justice Systems, Jail Management Systems, Mobile Data, citation devices and other future technology solutions.

Currently IPSS provides law enforcement automation services to approximately 14 agencies with over 1,000 users. This saves officers time and allows them to access records without having to contact these other agencies.

If we didn't participate in IPSS the department would have to develop its own stand alone records management, CAD, Mobile Data, and all of the other programs IPSS provides. This would be very costly and we would not have the ability to share information as we do now.

This is not a new agreement, just the continuation of the current agreement we've participated in for many years. As it has been several years since the agreement was updated, the IPSS board decided it was time to review the agreement.

**AGREEMENT FOR THE OPERATION OF THE INTEGRATED PUBLIC
SAFETY SYSTEM**

This Agreement is entered into by and among the **COUNTY OF SHASTA**, a political subdivision of the State of California, (COUNTY), the **CITY OF REDDING**, a municipal corporation, (REDDING), and the **CITY OF ANDERSON**, a municipal corporation, (ANDERSON) collectively referred to as the **Parties** or Integrated Public Safety (**IPS**).

WHEREAS, the Parties have determined that it is to the mutual advantage and benefit of the Parties that an Integrated Public Safety System (**IPSS**) be operated to provide computerized law enforcement information and data to each of their law enforcement agencies.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

1. **PURPOSE**

The purpose of this Agreement is to identify the financial and personnel resources needed to provide for necessary hardware, programming, and personnel to develop and maintain an integrated public safety system. The goal of such system is to increase efficiency through the use of technology, to reduce redundancy, and to provide needed information, thus maximizing personnel resources.

2. **DEFINITION**

IPS shall operate as a multi-agency information technology task force whose primary mission shall be to provide the Shasta County area law enforcement community with a centralized system for consolidated records management, mobile data delivery systems and a dedicated, secure technology infrastructure. The goal of this system shall be providing timely access to tactical and administrative investigative information relevant to the needs of law enforcement.

3. **RESPONSIBILITIES OF COUNTY**

- A. **COUNTY** shall provide user hardware required for its use of the **IPSS** and specialized installation for **COUNTY** personnel utilizing **IPSS**.
- B. **COUNTY** shall assign two full-time programmer/analysts dedicated to support **IPS** operations as needed during the regular business day.
- C. **COUNTY** shall be responsible for the purchase of applications software and hardware unique to **COUNTY** users.

4. **RESPONSIBILITIES OF REDDING**

- A. **REDDING** shall act as the agent to purchase shared computer hardware, hardware upgrades, and operating system software as directed by the **IPS** Directors (see section 7).
- B. **REDDING** shall provide user hardware required for its use of the **IPSS** and specialized installation for **REDDING** personnel utilizing **IPSS**.
- C. **REDDING** shall, at its cost, house the shared equipment in a physically and electronically secure facility which meets the manufacturer's specifications. Costs associated with equipment stored at other locations may be covered by the **IPS** fund (see section 13).
- D. **REDDING** shall, at its cost, provide operations personnel, as necessary, to monitor the **IPS** system to assure reliability seven-days-per-week, 24-hours-per-day, during the entire period of the agreement.
- E. **REDDING** shall assign two full-time programmer/analysts dedicated to support **IPS** operations, as needed during the regular business day.
- F. **REDDING** will administrator the **IPS** fund pursuant to section 13 and establish a separate interest bearing **IPS** fund.
- G. **REDDING** shall, annually, provide a fiscal **IPS** review and accounting to the **IPS** Directors.
- H. **REDDING** shall be responsible for the purchase of applications software and hardware unique to **REDDING** users.

5. **RESPONSIBILITIES OF ANDERSON**

- A. **ANDERSON** shall provide user hardware required for its use of the **IPSS** and specialized installation for **ANDERSON** personnel utilizing **IPSS**.
- B. **ANDERSON** shall be responsible for the purchase of applications software and hardware unique to **ANDERSON** users.

6. **JOINT RESPONSIBILITIES OF THE PARTIES**

The **Parties** shall jointly be responsible for the payment of on-going systems costs as described in section 12.

7. **PARTY REPRESENTATIVES; RESPONSIBILITIES**

- A. Each party to this agreement shall name their respective Police Chief or Sheriff as a Director of **IPS**.

- B. The Director of Information Systems for the City of Redding, the Chief Technology Officer for the County of Shasta, and the SHASCOM Director, shall assist the **IPS** Directors in a consulting capacity, as needed.
- C. The **IPS** Directors, or their designee, shall meet at least once every calendar quarter.
- D. At the first meeting of every fiscal year, the **IPS** Directors shall appoint a chairperson. The chairmanship shall rotate annually among the members of the **IPS** Directors.
- E. The **IPS** Directors shall be responsible for reporting back to their respective agencies.
- F. Representatives from Subscribing Agencies (Section 10) may be invited to attend the quarterly **IPS** Directors meetings. Subscribing Agencies shall not be voting members.
- G. Each party to this agreement shall identify its management representatives who shall be responsible to coordinate the tasks and responsibilities outlined in this agreement on a daily basis with all other parties. Each Party shall also provide the names and contact information of those management representatives to the **IPS** Project Manager.
- H. **IPS** staff assigned to **IPS** functions shall meet as requested with the management representatives to share reports and information with each other and report directly to the **IPS** Directors on all matters.
- I. The **IPS** Directors are authorized on behalf of their respective agencies to execute the Memorandum of Understanding (Exhibit A, referenced and incorporated herein), with Subscribing Agencies.
- J. All decisions to be made by the **IPS** Directors shall require a vote of the majority.

8. **IPS PROJECT PERSONNEL**

In order to meet the needs of the **IPS** the following personnel shall be funded by the **IPS** project. (Exhibit B)

- A. An **IPS** Project Manager.
- B. An **IPS** Information Technology Supervisor.

- C. The **IPS** Directors will appoint the **IPS** Project Manager and **IPS** Information Technology Supervisor, with approval by the employing agency, and will be responsible for determining the appropriate staff members to fill the **IPS** positions. The personnel funded with **IPS** funds shall be subject to the terms and conditions of employment with their respective employers including, but not limited to, coverage by the respective employers' policies of worker's compensation.

9. **PROJECT AUTHORIZATION**

- A. The Parties to this Agreement designate spending authority for up to \$5,000 per fiscal year to the **IPS** Project Manager for budgeted items. For any non-budgeted expenditures or revenues a budget resolution must be completed and forwarded to the **IPS** Directors for approval by majority vote. If any of these items are for technical purchases, the **IPS** Information Technology Supervisor must review and approve them prior to sending them to the **IPS** Directors.
- B. The **IPS** Project Manager or **IPS** Information Technology Supervisor shall pre-approve in writing any training for the programming staff assigned to **IPS**. Any unusual circumstance such as out of state travel, training for any extended length of time (defined as one work-week or longer), or for costs over \$1,000 per training incident must be pre-approved in writing by the **IPS** Directors.
- C. The **IPS** Directors shall pre-approve all training expenditures to be used by the **IPS** Project Manager and **IPS** Information Technology Supervisor. For time away these staff must seek pre-approval in writing from their respective direct supervisors.
- D. The **IPS** Project Manager is authorized to plan, delegate, implement, and/or conduct project activities and apply **IPS** organizational resources as needed to accomplish **IPS** goals and objectives. The **IPS** Project Manager shall communicate on a regular basis, but no less than once per calendar quarter, with appropriate **County** supervisory personnel regarding project goals, results, and additional information relevant to the performance of the **County** assigned programmer/analysts. Periodically, the project list maintained by the **IPS** Project Manager shall be presented for review by the **IPS** Directors, no less than once per calendar year. Major changes to the planned activities shall be documented and reviewed by the **IPS** Project Manager and forwarded to the **IPS** Directors for final pre-approval.
- E. The **IPS** Information Technology Supervisor reports directly to the **IPS** Project Manager on all **IPS** related activities and is authorized to plan, delegate, implement, and/or conduct project activities and apply **IPS** organizational resources as needed to accomplish **IPS** goals and

objectives. The **IPS** Information Technology Supervisor shall also provide consultation to the **IPS** Project Manager regarding the technical development of **IPS** programs and tasks.

10. **SUBSCRIBING AGENCIES**

- A. A Subscribing Agency is any agency or city or county department, not a party to this agreement, requiring access to the shared **IPSS** information (in any form) that is recognized by the **IPS** Directors and which has executed the Memorandum of Understanding, Exhibit A, attached hereto and incorporated herein.
- B. Subscribing Agencies, who desire access to **IPSS** must accept and abide by each of the conditions as set forth in the Memorandum of Understanding.

11. **FISCAL/BUDGETARY**

No later than January 15 of each year, representatives of the **Parties** shall meet to develop the following fiscal year's operating budget for **IPS**. The operating budget for the July 1 to June 30 fiscal year shall be presented to the **IPS** Directors by March 31 each year and approved by a majority vote of the **IPS** Directors. Notwithstanding the foregoing, the **Parties** shall not be obligated for any payments hereunder for any future fiscal year unless or until respective governing boards appropriate funds for this agreement in respective budgets for that fiscal year. In the event that funds are not appropriated for this agreement, then this agreement shall terminate as of June 30 of the last fiscal year during which funding was appropriated. Each party shall notify the **Parties** in writing of such non-appropriation at the earliest possible date.

12. **APPORTIONMENT OF COSTS**

The **Parties** in the following proportions shall share the annual fiscal year payment of **IPS** operating costs jointly:

- A. The **COUNTY's** share of the annual on-going costs shall be equal to forty-five percent (45%).
- B. **REDDING's** share of the annual on-going costs shall be equal to forty-five percent (45%).
- C. **ANDERSON's** share of the annual on-going costs shall be equal to ten percent (10%).
- D. The individual agencies shall be responsible for budgeting their portion of

the **IPS** expense in their respective agencies' budgets as approved by their governing boards.

13. **IPS FUND**

- A. A separate **IPS** interest-bearing fund shall be maintained by **REDDING** to manage approved funding, revenues and expenditures.
- B. Interest generated by the **IPS** Fund shall remain in the **IPS** Fund.
- C. Monies to be placed in the **IPS** Fund shall be collected from the **Parties** to this agreement once a year beginning with the start of the fiscal year.
- D. The **IPS** Directors may establish the collection of a user fee from the Subscribing Agencies as required. The fee shall not exceed the estimated reasonable cost of providing the service for which the fee is charged. The fee shall not be charged unless approved by each of the **Parties**' governing boards.
- E. The **Redding** Chief of Police is authorized to make line item adjustments in the approved budget. Said action shall be disclosed to each agency's **IPS** Director in writing no later than 30 business days after a line item change is made.

14. **IPS FUND EXPENDITURES**

In order to facilitate the performance of this agreement, the **Parties** delegate to their respective **IPS** Director, the authority to approve necessary expenditures to carry out the purpose of this agreement, including, but not limited to, the purchase, lease or other acquisition of hardware, software, services or materials. The funds in the **IPS** Fund shall be used exclusively for the following:

- A. Maintenance of shared computer hardware or operating system software as listed in Exhibit C, attached hereto and incorporated herein.
- B. Major upgrades to maintain computer hardware or operating system software as listed in Exhibit C, attached and incorporated herein.
- C. Maintenance of shared applications software.
- D. Upgrades to shared applications software.
- E. **IPS** personnel and administrative costs.
- F. Shared computer operations costs.

- G. Enhancements or additions to **IPS** projects as approved by the **Parties** to this Agreement.
- H. Purchases as agreed upon by the **Parties** to this Agreement.
- I. **IPS** training costs.

15. **DISPOSITION OF IPS FUNDS AND PROPERTY**

If all of the **Parties** terminate this agreement, the participants will begin discussion on the value and distribution of all **IPS** assets. Upon termination of the agreement, **REDDING** will be responsible for the disbursement of the **IPS** Fund and all project-related assets as directed by a majority vote of the **IPS** Directors. The following are approved activities to be funded by the **IPS** Fund. Should the agreement be terminated, the **IPS** Fund will be disposed of as follows:

- A. To pay any costs incurred by **IPS** as approved by representatives of the governing bodies of each party.
- B. To pay any costs of returning hardware and software to original contributing agencies.
- C. To pay any administrative costs incurred in addition to costs agreed to, and incurred previous to termination, as delineated in section 14 and approved by representatives of each governing body.
- D. To divide all remaining assets and monies between the **Parties**, on a pro rata basis based on the apportionment of costs as delineated in section 12.

16. **USER FEES**

- A. User fees imposed on Subscribing Agencies shall include administrative costs as well and a negotiated percentage of operational costs.
- B. Shasta Area Safety Communications Agency (SHASCOM), Shasta Interagency Narcotics Task Force (SINTF) and California Multijurisdictional Methamphetamine Eradication Task Force (CALMMET) are exempt from the 'per-user' fee requirement contained in Section VI of the MOU.

17. **SECURITY OF STORED INFORMATION**

Security of stored information shall comply with existing Federal, State, and Agency statutes, regulations, and their policies. All information shall be "shared

information" as defined in and subject to the executed MOU (Exhibit A) between **IPS** and Subscribing Agencies.

18. **TERM**

Unless terminated by a majority vote of the **IPS** Directors or amended in writing and signed by all **Parties** to modify the term, this Agreement shall terminate five years after its effective date which is the date of the last signatory to this Agreement.

19. **VOLUNTARY WITHDRAWAL/TERMINATION**

Except as otherwise provided in paragraphs 11 and 15, if a Party chooses to terminate its participation in this Agreement, that Party must give one year advance written notice of termination or withdrawal to the remaining **Parties**, subject to the requirement that the Party electing to withdraw shall not be allowed to remove its prior contributions to the **IPS** made pursuant to section 12. Any Party who chooses to withdraw from or terminate this Agreement shall be solely responsible for costs resulting from that action including, but not limited to, data conversion, movement of data lines and required programming changes.

20. **INDEMNIFICATION**

It is agreed that each of the **Parties** shall, for its sole negligence, or sole willful conduct, mutually save and hold each of the other parties and each of the other parties' appointed and elected officials, its agents, representatives, volunteers, and employees harmless from all costs, expenses, losses, and damages, including death or damages to property caused by any act or neglect of such party, its agents, representatives, volunteers, officials, or employees in the performance of this agreement.

21. **NO THIRD PARTY BENEFICIARIES**

This Agreement shall not be construed as or deemed to be an agreement for the benefit of any third party, parties not named in this agreement, or Subscribing Agencies to this agreement, and no third party, Subscribing Agency or other party shall have any right of action hereunder for any cause whatsoever. Any services performed or expenditures made in connection with furnishing mutual aid under this agreement by any of the **Parties** hereto shall be deemed conclusively to be for the direct protection and benefit of the public.

22. **AMENDMENTS**

This Agreement may only be modified by a written amendment signed by all of the **Parties** hereto.

23. **ONE AGREEMENT**

This Agreement supersedes all prior agreements between the **Parties** on the subject matter herein.

24. **NOTICES**

Any notices required by this Agreement should be in writing, signed by a duly authorized official, employee, or representative of that party, and mailed to each of the other **parties'** certified mail, postage prepaid as follows:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made and entered into this (*date*) day of (*Month, Year*) by and between the Redding Police Department, the Anderson Police Department and the Shasta County Sheriff's Office, collectively known as "IPS" (Integrated Public Safety) and (***Agency Name Here***) hereinafter referred to as Subscribing Agency. IPS and Subscribing Agency are herein after referred to as the Parties to this MOU. IPS maintains a centralized computer data system relevant to the needs of law and justice agencies in the Shasta County region hereinafter referred to as the IPSS (Integrated Public Safety Systems). The IPS Directors consist of the Redding and Anderson Police Chiefs and the Shasta County Sheriff. Subscribing Agency wishes to access the IPSS.

I. PURPOSE

The purpose of this MOU is to establish the terms, conditions and responsibilities of IPS and Subscribing Agency, thereby authorizing Subscribing Agency to access the IPSS. Additionally, this MOU shall define responsibility for control of information accessed through the IPSS.

II. SHARED INFORMATION

Not all information maintained within IPSS shall be available to all employees of the Parties or Subscribing Agencies. Sensitive information contained within IPSS shall be restricted on a "need to know" basis as determined by the originating agency.

III. MANAGEMENT CONTROLS

Subscribing Agency shall assume responsibility of its employees who are granted access to IPSS. Each Subscribing Agency shall maintain physical and operational control of any equipment and/or software used to gain access to IPSS. Each Subscribing Agency shall ensure that all employees of Subscribing Agency who are granted access to the IPSS continue to meet the requirements of Penal Code sections 11105 and 13300, which identify the persons allowed to access criminal history information and the purposes for said access.

IV. SECURITY CLEARANCE

Subscribing Agency agrees to maintain accurate records of those employees who have been granted access to the IPSS. Those records shall include a copy of the Security Clearance notice signed by each employee who is granted access to the IPSS.

These records are to be made available for inspection and review upon the request of IPS.

V. SYSTEM ADMINISTRATION

Subscribing Agency authorizing an employee to gain access to the IPSS shall submit a written and signed request from its respective Agency Head or designee. Submission of such a request shall not occur until the employee has executed the Security Clearance notice. Once an employee has been provided access to IPSS, the Subscribing Agency shall be responsible for enforcing the rules and regulations governing the use of information obtained through IPSS. Should an employee's status change, either through re-assignment or termination, it shall be the Subscribing Agency's responsibility to immediately notify IPSS in writing to prevent the employee from having further access to IPSS.

VI. COMPENSATION SCHEDULE

Each year IPS shall establish a fee schedule for the access, support and security of the IPSS. IPS shall prepare and submit to each Subscribing Agency an invoice in accordance with the established fee schedule no sooner than April 1st and no later than May 15th of each year for access to IPSS in the following fiscal year. Invoicing shall be annual unless stipulated by Subscribing Agency, in writing, the specific need for an alternate invoicing schedule. No amendment to this MOU is necessary to update the annual fee schedule.

The Subscribing Agency shall remit to IPS, upon receipt of invoice, applicable fees according to the published Fee Schedule. The establishment and implementation of a cost-recovery fee schedule does not imply all costs incurred by IPS, on the behalf of Subscribing Agency, are included in the current Fee Schedule calculation. All invoices are payable within 30 days of receipt.

The fee schedule shall establish a 'per-user' fee based on specific and identifiable costs incurred by IPS in order to provide and maintain access and security for the system. System Users are defined as individual employees of the IPS and Subscribing Agencies who have been granted access to the IPSS. Identified costs, which directly benefit all System Users shall be divided by the total number of System Users to determine the 'per-user' fee. The fee schedule may include a one-time network connection and setup fee for access to IPS and may include an annual fee to maintain ongoing connectivity to the system. The fee schedule may include hourly rate(s) for any non-standard support services contracted with IPS and performed for the sole benefit of the Subscribing Agency by IPS personnel.

Requests from a Subscribing Agency for programming and/or other non-standard support is subject to a review process and final approval by the IPS Directors.

IPS shall bill Subscribing Agency for network connection or non-standard support services within 30 days of connection or service and Subscribing Agency shall pay the invoice within 30 days.

The established fee schedule shall be reviewed by the IPS Directors during the first quarter of each calendar year. Changes to the fee schedule shall be published and distributed by IPS to the address on file for each Subscribing Agency before the end of the first calendar quarter. A list of Subscriber user accounts shall be maintained by IPS during the prior calendar year for the purpose of validating the 'per-user' cost.

Shasta Area Safety Communications Agency (SHASCOM), Shasta Interagency Narcotics Task Force (SINTF) and California Multijurisdictional Methamphetamine Eradication Task Force (CALMMET) are exempt from the 'per-user' fee requirement.

VII. VIOLATION OF MOU

In the event a Subscribing Agency fails to exercise management control of either the equipment connected to the IPSS or the employees they have granted access to the IPSS, IPS may deny the Subscribing Agency further access to the IPSS. In the event Subscribing Agency fails to remit the invoiced amount to IPS, IPS may deny the Subscribing Agency further access to the IPSS. This action shall occur only after a meeting of the IPS Directors and the Subscribing Agency has been conducted and a majority vote by the IPSS Directors affirming the action occurs.

VIII. TERM OF MOU

This Memorandum of Understanding shall become effective as of the date of the last signatory and shall remain in full force and effect until it is terminated by written notice of the IPS. In the event an individual Subscribing Agency no longer desires access to IPSS, that Subscribing Agency shall provide written notice to IPS. Upon such notice, employees of the withdrawing agency will no longer be allowed access to the IPSS 3 business days after written notice is received by IPSS Project Manager and the withdrawing agency shall cease to be a part of the IPSS. In the event the Subscribing Agency signatory authority changes during the term of this agreement, this MOU shall be presented for an updated signature.

VIV. INDEMNIFICATION

It is agreed that each of the Parties shall, for its sole negligence, or sole willful conduct, mutually save and hold each of the other parties and each of the other parties' appointed and elected officials, its agents, representatives, volunteers, and employees harmless from all costs, expenses, losses, and damages, including death or damages to property caused by any act or neglect of such party, its agents, representatives, volunteers, officials, or employees in the performance of this agreement.
