## SUBJECT

**Public Hearing to consider modification of Code Enforcement Policies and Procedures and Nuisance Abatement Ordinance to allow for the imposition of fees and penalties for Code Enforcement Actions**

## RECOMMENDATION

The City Manager recommends that the City Council:

1. **Open the public hearing and take public comments.**
2. **Close the Public Hearing.**

## DISCUSSION and BACKGROUND

Staff has completed an analysis of potential changes to our Code Enforcement policies, procedures and fees. However, because of the complexity of the codes and great interest the Council has expressed in Code Enforcement, I believe the Council is better served to review the materials in a future workshop before being asked to make a decision. We will schedule a workshop for a future meeting, and then reschedule the public hearing as needed after the workshop.
