

Pacific Municipal Consultants completed archaeological and historical investigations for The Vineyards at Anderson Specific Plan. The results of those investigations were presented in a report to the City of Anderson entitled *Archaeological and Historical Investigations for The Vineyards at Anderson*. However, the report is not attached to this document in order to maintain the confidentiality of cultural resources information. Cultural resources information is exempt from public disclosure under the Public Records Act and more specifically SB 922 (Government Code 6254 (r) and 6254.10).
